

The Consulate General of India, Hong Kong and Macau SARs shall celebrate a one week focused campaign on LiFE (Lifestyle for Environment) as part of the Azadi Ka Amrit Mahotsav Celebrations (India @ 75) from 23-29 April 2023.

The Consulate calls upon all members of the Indian diaspora in Hong Kong and Macau to make an effort and observe the following activities to make the focused week on LiFe from 23-29 April 2023 a huge success:

1. Use public transport wherever possible
2. Take the stairs instead of an elevator wherever possible
3. Switch off vehicle engines at red lights and railway crossing
4. Fix leaks in flushes, taps and waterpipes
5. Use cloth bag for shopping instead of plastic bags
6. Include millets in meals
7. Prefer seasonal foods
8. Buy paper products made from recycled paper
9. Donate old clothes and books
10. Create and volunteer at community food and cloth banks, and at animal shelters
11. Discard gadgets in nearest e-recycling units

Everyone is invited to observe the above sustainable practices in their own lives and encourage others to follow their example by taking photos and posting on social media using the #LiFE and tag the Consulate on Facebook (<https://www.facebook.com/CGIHongKongChina/>), on Twitter (<https://twitter.com/CGIHongKong>) and on Instagram (<https://instagram.com/cgihongkong/>).
